Greetings,

News brief below just went out via Nixle and X.

Great initial response by patrol (Pacheco and dayshift crew) and dispatch. Great work by Michael Balcorta finding a picture of the suspect on foot in nearby Flock camera and getting it out to investigators. This ultimately helped lead to the positive ID of the shooter.

Great follow-up by Ivan Swenson, Tim Trefts and DB crew.

Great team work and solid case. The shooting itself was also captured on exterior store video surveillance.

Regards,
Danny
